# General Information

**LOCATION**—Sale will be held at the Rock Port, Missouri, Sale Pavilion on Highway 275, Monday, October 5, 1953. Show: 9:30 a.m. Sale: 1:00 p.m. This is one of the best sales pavilions in this area and the management is tops.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bangs, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and if after a test in the seller's herd, he still fails to breed he may be replaced or the purchase price refunded.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Heifers not to be served by a heavy or old bull. Neither buyer nor seller to charge for care or feed. Transportation to be paid by buyer.

If animal does not comply with guarantee it may be replaced or purchase price refunded.

Notice of failure to comply with guarantee to be given within six months of date of sale.

Animal at buyer's risk as soon as bid off.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders Association; or to the auctioneer, J. E. Halsey, Des Moines, Iowa.

A dinner will be served the evening before the sale. For place, hour, and tickets, see the secretary, Dr. W. L. Landfather.

# Show and Classification

This show and sale is co-sponsored by the Missouri State Board of Agriculture, Rock Port Community Club, and the Northwest Missouri Shorthorn Breeders Association, Inc.

## MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through the appropriation by the Missouri Legislature to encourage the production, distribution, and the use of better breeding animals of Missouri.

**BLUE RIBBON** Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

**RED RIBBON** Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defects, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

**WHITE RIBBON** Animals are good individuals.

Animals of somewhat less desirable type, and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO S. SINGLETON, Superintendent of Show  
Judge—Irwin Retzlaff, Walton, Nebraska.

Tolquhon Enterprise—Purchased by us in the 1951 Grant Campbell sale as a prospective herd bull. He has fulfilled our expectations and we have a few calves by him and several cows carrying his service. Our other imported in dam bull has developed so well that we feel that we can spare this bull to help make a good sale consignment. Study the bull and his breeding and I believe he will please you.

Rosewood Leeway 11th—A granddaughter of Imp. Calrossie Prince Peter, the grand Champion at Perth, Scotland, will calve before sale date to the service of our junior herd sire, Montgomery Mercury. Her grand dam, Balechin Rosewood 10th, bred by Ray Wilkenson, sold in the Rock Port sale for \$405.00 when she was eleven years old.

# *Rock Port,*

The friendliest little city in the midwest was laid out in the west central half of Atchison County, Missouri, half way between St. Joseph and Omaha, on April 8, 1851. At that time there were only two towns in Atchison County, Linden, the original county seat, and Sonora, on the Missouri River, which was later replaced by Watson.

This thrifty little town of Rock Port supplied most of the needs of those early settlers, providing grist mills, blacksmith and harness shops, general mercantile stores, churches, post office, railroads and law enforcement agencies. Rock Port was the smallest town to own its own railroad, the Rock Port Langdon & Northern, which operated for some fifty years. Rock Port was legally incorporated on December 13, 1855, and since that time has blossomed into a thriving city of some 1,600 population with all of the advantages of a modern city of ten times its size, the county seat of Atchison County, Missouri, the front door of Kansas, Iowa, and Nebraska.

Rock Port is on highways 275 and 4. Every street in town is paved or graveled so one can drive to any location in Rock Port in any kind of weather. Hard surfaced streets total 127 blocks.

Rock Port is justly proud of its municipal light and water plants and its mutual telephone system as well as being headquarters for the Atchison-Holt Electric Co-op which serves the area from Fortescue, Missouri to Shenandoah, Iowa.

The finest business firms to be found in the midwest, firms favorably comparable to those of our largest cities, are located in Rock Port. Bank deposits total in excess of \$6,000,000.00. The Hotel is the most modern between St. Joseph and Omaha.

The Rock Port Sales Pavilion, located on the north side of highway 275, capably managed by Frank Groff, is one of the finest in the midwest. Here regular sales are held each Wednesday and special sales of commercial and purebred livestock are well advertised in advance.

The public school system is one of the finest in the state, with a new addition now under construction at a cost of \$113,000.00 which will be ready for occupancy early this fall. A vocational agriculture building

# Missouri

was completed some three years ago which is second to none. Three school busses cover the entire trade territory to transport the 78 high school and 19 grade students who live in the country. The vocational agriculture department has 39 students and the home economics department has 42. Night classes in bookkeeping and typing, consisting of three classes in each course, are taught by the high school commerce teacher.

Rock Port is the site of the Atchison County Memorial building, constructed in honor of the service men who lost their lives in World War I. The building has a fine gymnasium for games and dances, 100 person kitchen facilities, rooms for the American Legion Auxilliary and a large club room for the Legion.

The American Legion runs the building with the help of appropriations from the city, the Legion is one of the three largest Clubs in Missouri with a membership of 380.

The city owns a 60 acre park which includes picnic grounds, tables, lighted baseball diamond, and a nine hole golf course. A "Memorial Arch" is planned for the park entrance and the park then will be dedicated to the Atchison County service men who lost their lives in World War II.

One need not be in Rock Port long until he realizes that the Community Club of some 75 members is very active and hard at work on the various projects which make Rock Port, "The friendliest little city in the Mid-west."

The members of the Northwest Missouri Shorthorn Breeders' Association are grateful for the courtesies shown them by the citizens of Rock Port and wish to express their deep appreciation to the members of the Community Club for their untiring efforts in making our sales in your city such enjoyable events. We look forward to our fall sale each year as we know it will be held in Rock Port, where the hand of friendship is extended to you.
